

# Research Australia

An alliance for discoveries in health

## Membership Application

**Research Australia's mission is to make health and medical research a higher national priority.**

Independent of government, and a non-profit organisation, Research Australia is supported by over 190 member organisations, donors and supporters including leading research institutes, universities, philanthropy, community and special interest groups, peak industry bodies, biotechnology and pharmaceutical companies, and corporate Australia.

Research Australia is a 'whole of community' voice with a key message that investment in health and medical research in Australia will not only improve the health and quality of people's lives now and in the future, it will also generate new businesses and knowledge-based jobs strengthening Australia's position in a growing global knowledge economy.

To achieve its mission, Research Australia is focusing on four key goals:

- Increasing public awareness and information on the benefits of health and medical research; and
- Encouraging greater funding and investment in health and medical research from all sources – government, private industry and philanthropy
- Ensuring Australia captures the benefits of health and medical research
- Optimising Australia's global position in health and medical research

Research Australia has tax deductible gift recipient status.

### How can you join?

Complete the enclosed Application Form and return it to us by FAX to 03 9639 4126 or by mail to the address below. Please indicate your chosen membership category and level. We will then send you a tax invoice for the applicable membership fee and welcome your organisation to the Research Australia alliance.

Research Australia Limited

ABN 28 095 324 379

Suite 2, Mezzanine, 257 Collins Street, Melbourne. Vic. 3000

Telephone 03 9662 9366 • Facsimile 03 9639 4126 • Email [enquiries@researchaustralia.org](mailto:enquiries@researchaustralia.org)

## Membership Benefits

In addition to working toward our shared mission of promoting health and medical research in Australia, member organisations can benefit from the following opportunities:

- **Increased public profile** A link to your website with your logo for all members. Medallion members also have their logo on reports, publications and presentations.
- **Government liaison** Be involved in government advocacy led by Research Australia related to funding infrastructure and policy or seek Research Australia's assistance on matters relevant to our mission and goals.
- **Networking** Participate in national and state member forums, networking events, boardroom lunches and seminars.
- **Profile for research & researchers** Showcased in media and events
- **EurekAlert!** Free press release postings for medallion members (an international online web service accessed by 5000 journalists).
- **Communicate important events** Posted on the Research Australia website and in quarterly e-bulletin.
- **Annual Research Australia Awards** The Awards are the most prestigious accolade in the health and medical research community. Recipients are nominated by Research Australia members and selected by the Board of Directors. The Awards brings together a high-level gathering of leaders in the health and medical research community, business and government at a glittering event held alternatively in Sydney or Melbourne.
- **Annual Public Opinion Polling** Public opinion polling that shows strong community support for health and medical research and an opportunity to contribute issues for exploration
- **Joint project opportunities** Research Australia can add value to member activities consistent with our mission and goals.
- **Philanthropy** Research Australia Philanthropy will offer services, advice and tools to those seeking and making grants and donations.
- **Membership Recognition** Announcement on joining and certificate of membership presented at a special member recognition event.
